MEMORANDUM FOR: Deputy Director for Administration

FROM: George V. Lauder
Director, Public Affairs

SUBJECT: Executive Dining Room Privileges

1. Recently two members of my staff who have been members of the EDR for several years were notified that their memberships had been withdrawn because of newly-imposed grade restrictions. I understand the good reasons for this action and do not wish to reapply for their reinstatement.

2. I do, however, wish to request that Associate Memberships be granted to these two officers, which I understand would limit their use of the EDR to those occasions when they are entertaining visitors in the course of their official duties. I consider this to be an important--albeit infrequent--aspect of their ability to carry out the functions assigned to them. Moreover, this request is peculiar to these Public Affairs Officers whose counterparts in other agencies occupy senior PL or SES positions. The officers in question are:
